

Course Search Websites

Office of Higher Education

www.ohe.ct.gov

Finding a course or academic program can be done easily online. Choices range from credit-bearing college courses leading to a degree to non-credit programs for personal enrichment to courses for licensed occupations. Use the following search engines to explore the rich variety of educational and training programs offered by Connecticut's colleges and universities, local adult education offices, private career schools and others.

College Courses & Career Training
